

Claire LAMINE

Sociologist, PhD/HDR, Research Director, INRA Ecodéveloppement

mail : claire.lamine@inra.fr

web site: <https://www.clairelamine.com>

Education

- 2015 HDR (Habilitation thesis) in Sociology, Paris Ouest Nanterre la Défense University (supervisor: JP. Billaud, CNRS, France. Committee: D. Goodman, F. Charvolin, F. Chateauraynaud, S. Dubuisson-Quellier, A. Brandenburg)
- 2003 Ph.D. in sociology, EHESS (High Studies in Social Sciences), Paris (supervisor: J-L Fabiani)
- 1997 Master in social sciences (sociology-anthropology-history), EHESS Marseille
- 1991 BA in management at ESSEC Business School, Paris

Current position

- 2005 – Research Engineer and since 2018 Research Director in Sociology, INRA, Avignon, France

Previous positions

- 2004-2005 Liège University (Belgium): 2-years Post-doctoral contract on food and governance, supervised by M. Mormont and P. Stassart.
- 2004 Research assistant at INRA: Qualitative surveys on alternative food networks
- 1992-2001 Consultant in urban and rural development, coordinator of a regional team of 15 persons

Fellowships and invitations abroad

- 2017 Invited researcher Invited Research at the Sustainable Places Research Institute, Cardiff University (3 months) (food system approaches, transdisciplinarity)
- 2012-2016 Invited researcher at Federal University of Parana (3 weeks/year) (agroecology, policies)
- 2007 Invited researcher at Aarhus University (1 month, Endure Rex network) (pesticide policies)
- 2005 Agency for Francophone Universities: Awarded a post-doctoral grant, project on food practices changes and health impacts (Marseille University/ El Manar University, Tunis)

Supervision of graduate students and postdoctoral fellows

5 on-going PhDs: Martina Tuscano on social participation and inclusion processes in agrifood systems (main supervisor, Paris EHESS), Pedro Lopez Merino on collective evaluation tools (in co-supervision, Paris Dauphine Univ); Floriane Derbez on agroecological policies and collective dynamics (in co-supervision, Lyon II University), Marlène Feiyereisen on regional agrifood systems (in co-supervision, Liège University), Nassima Hakimi on social innovations within ecological transitions (in co-supervision, Grenoble University).

5 completed PhDs: Douglas Padilha (co-supervisor, Parana Federal University, Brazil, 2016) about organic networks in Curitiba, Brazil; Claudia Severi (co-supervisor, Bologna University, Italy, 2016) about social sustainability and resilience of rural communities in Latin America; Sibylle Bui (main supervisor, AgroParisTech, Paris, France, 2015) about territorial ecological transition; Lucile Garçon (co-supervisor, Lyon II University, France, 2015) about local food networks; Aurélie Cardona (main supervisor, EHESS, Paris, France, 2012) about ecological transitions at the farm/territorial scales.

Post-Docs (supervision of 5 post-docs over a period of 1-2 years each, of which 3 as sole supervisor):

Lucile Garçon, INRA Avignon, France (as part of the “Prunus” project, sole supervisor, 2015); Caroline Petit, INRA Paris-Avignon, France “(Dynrurabio” project, co-supervisor, 2014); Florence Hellec, INRA Mirecourt (co-supervisor, 2011); Isabelle Haynes, INRA Grignon (“Endure Network of Excellence”, sole supervisor, 2008-2009); Anne Marie Guénin, INRA Grignon (“Gédupic” ANR project, sole supervisor, 2007-2008)

Supervision of 15 **Brazilian and European PhDs and post-docs** for long research stays.

Teaching activities

- 2016-2020 The ecologisation of agriculture and food. Monthly seminar, EHESS, Marseille, France
- 2008-2010 Agriculture, sciences and environment, agriculture between modernisation and ecologisation. Monthly seminar, EHESS Agroparistech, Paris, France (with C. Bonneuil)
- 2002-2004 Sociology of education, Sociology of family and Sociology of food (undergraduate level, Marseille University, France); Sociological qualitative methods (CNAM Marseille)

Organisation of scientific congresses, seminars and panels (selection)

- 2018 ObsTAE (Sociological OBServatory of AgroEcological Transitions) congress, Paris, Sept. 2018, main organiser, 85 participants) <https://colloque.inra.fr/mcae-obs>
- 2017 Member of the scientific committee of “Une autre histoire des modernisations agricoles au XXème siècle” congress (Sept. 2017, Paris, <http://koyre.ehess.fr/index.php?2482>)
- 2016 “Holistic and pragmatic approaches to sustainable agrifood systems”. European Research and Study Group within the European Society for Rural Sociology (ESRS), organiser of a 3-day writing workshop in Sept. 2016, at Le Pradel, France (17 participants from 10 countries)
- 2015 Member of the scientific committee of “the Agroecological Imagination Franco-American exchange” (June 2015, Madison USA),
- 2014 ESRS summer school. Main organiser, held Sept. 2014 at Le Pradel, France (20 participants)
- 2014 “International workshop on system innovation towards sustainable agriculture”. Co-organizer with M. Barbier, M. Cerf, B. Elzen, and B. van Mierlo, in May 2014 (30 participants)
- 2013 – 2016 Organiser of the open bi-annual seminar “Territorial dynamics of transition towards organic farming and ecological agri-food systems” (INRA Avignon, France; among the invited speakers, H. Renting, M. Schermer, C. Kjeldsen, M. Bell) (15-20 participants)
- 2011 Member of the scientific committees of the congress Ecologisation de l’agriculture” (March 2011, Avignon, France),
- 2007-2017 Organiser of **8 panels at international congresses** (ESRS, IFSA); 5 as first convenor

Institutional responsibilities (selection)

- 2017 – Member of the INRA working group about the nexus Health-Food-Agriculture-Environment (coordinated by C. Cherbut, INRA scientific director)
- 2016 – In charge of ‘agroecology for action’, one of the 3 scientific priorities of the INRA-SAD Department, with D. Magda and L. Hazard
- 2016 – Co-organiser of the PhD internal seminars at INRA-SAD Ecodéveloppement Unit (6/year)
- 2013 – In charge of the bilateral agreement between INRA-SAD and IAPAR (Brazil): organisation of annual seminars and hosting of 10 Brazilian researchers from 2011 to 2017

Reviewing activities (selection)

- 2018 External reviewer for the FAO report on “The role of agroecology in the transition towards sustainable food systems” (coord. M. Pimbert/C. Anderson, ed. CAWR, Coventry University)
- 2016 – Advisory Board of the “Solidarity Economy and Organic Farming Project”, U of Bern
- Project evaluator for European and French research programmes: ERC CoG (remote referee, 2016), Ministries of Agriculture and Ecology, Regional programmes
- Peer-reviewer for the following journals: Sociologia Ruralis, Journal of Rural Studies, Economie Rurale, RAESTUD, Anthropology of Food, Sustainability, Agriculture and Human Values, International Journal of Sociology of Agriculture and Food, Natures Sciences Sociétés, Economie et Sociétés, Norois, Brésils.
- Reviewer of book manuscripts for Quae and Educagri.
- Member of the editorial board of Sustainability

Leadership and memberships of scientific societies

- 2016 – Founder of the European Research and Study Group of the ESRS, Holistic and pragmatic approaches to sustainable agrifood systems
- 2007 – 2011 Member of the Executive Committee of ESRS
- Member of the ESRS (since 2001), French Sociologists Association (since 2009, member of the executive committee of the RT38 Environmental sociology group), AISLF (since 2004), GPP Small Peasantry Group

Steering committees, scientific networks and expertise (selection)

- 2018 External reviewer for the FAO report on “The role of agroecology in the transition towards sustainable food systems” (coord. M. Pimbert/C. Anderson, ed. CAWR, Coventry University)
- 2016 Founder of the ESRS Research and Study Group “Holistic and pragmatic approaches to sustainable agrifood systems” (25 members), organisation of writing workshops
- 2016 – Member of the Scientific Committees of the Regional Natural Parks of Baronnies and Ardèche
- 2008 – Member of the French Scientific Committee of Organic Agriculture
- 2010 – Member of the French Scientific Committee of the fruit and vegetable industry
- 2011 – 2015 Member of the Scientific Committee of Biovallée Programme (Drôme, France)
